Page

Accidents:
- Accident reports of CAB ... 11, 45, 64, 88, 102, 117, 122, 138
- Damage suit won by Government ... 36
- Scheduled-air-carrier fatal accidents, 1948 ... 1, 83
- Non-air-carrier accidents, 1948 ... 132

Air Coordinating Committee:
- Cary, Charles O., appointed Executive Secretary of ... 5
- Report of Committee for 1948 ... 35

Air Mail:
- Alaskan rates ... 41
- All American authorized to end pick-up service ... 14
- American Overseas Airlines rate proposed ... 58
- CAB policy for feeder lines inaugurating service ... 97
- Capital Airlines mail-pay rate proposed ... 3
- Differences in mail-pay requirements studied by CAB ... 38
- Mid-Continent Airlines mail rate proposed ... 30
- National Airlines rate set ... 4
- Northwest Airlines removed from "Big Five" case ... 3
- Pan American rate proposed ... 58
- Pioneer Airlines rate ... 3
- Mail-pay adjusted to compensate for grounding of planes ... 76
- Mail-pay suggestion by Harold A. Jones of CAB ... 74
- Ton-miles flown ... 8, 9, 10, 20, 21, 22, 31, 32, 33, 44, 45, 54, 55, 65, 66, 67, 80, 81, 82, 89, 90, 91, 103, 104, 105, 114, 115, 116, 128, 129, 130, 140, 141, 142
- West Coast Airlines rate proposed ... 33

Air Marking:
- Boy Scouts install markers ... 25
- Markers installed since the war ... 71

Air Navigation and Development Board:
- All-weather air navigation and traffic-control system ... 39, 49, 73, 85, 133
- Established by Department order ... 13
- Demonstration of all-weather landing aids ... 14
- New devices for traffic control ... 133

Aircraft:
- Airframe weight shipments ... 2, 17, 29, 45, 46, 58, 63, 83, 87, 99, 111, 123, 138
- Airline fleet changes ... 14
- Airline transports in operation ... 104
- Airworthiness directives, compliance with ... 109
- Airworthiness directives, distribution of ... 13
- British-built jet-powered transport aircraft ... 97
- Civil aircraft shipments ... 2, 17, 29, 45, 58, 63, 83, 87, 99, 111, 123, 138
- Civil Air Regulations, proposed revision of Part 6 ... 123
- Cockpit standardization proposed by CAB ... 86
- Crews for large transport aircraft, study of size of ... 9
- Cross-wind landing gear ... 1, 13, 133
- Fire prevention ... 110
- Flashing position lights for private aircraft ... 87
- Helicopters, use in Chicago area authorized by CAB ... 12
- Military aircraft acceptances ... 46
- Pilot's responsibility in operation of plane ... 36
- Safety directives affecting personal-type aircraft ... 109
- Sales, backlog, and net new orders ... 86, 111
- Single-engine aircraft approved for scheduled air transportation ... 76
- Spin tests recommended for light trainers ... 91
- Stall warning devices ... 99
- Statistical studies of civil aircraft ... 12, 60, 122
- Tabulation of aircraft by states and counties ... 30, 59, 108
- Tabulation of aircraft by states ... 33
- Use of aircraft, data from owners ... 41
- Use of aircraft in storm-stricken areas ... 37

Airlines:
(See also *Feeder Airlines.*)
- Aero Transportes granted airport-use permit ... 5
- Airline financing, address on, by Harold A. Jones ... 28
- All American Airways authorized to end pick-up service ... 14
- Avianca granted temporary permit ... 23
- British Caribbean Airways granted permit ... 15
- Canadian Pacific Air Lines issued permits ... 50, 134
- Capital Airlines certificate amended ... 95
- Capital Airlines mail-pay rate ... 3
- Caribbean International Airways issued permit ... 82
- Challenger Airlines certificates amended ... 22
- Coach fares ... 106
- Coach and promotional fare policies of CAB ... 120, 135
- Continental Airlines route consolidation authorized ... 105
- Eastern Airlines authorized to stop at Pittsburgh ... 67
- Equipment in service ... 14
- Equipment interchanges ... 64, 114
- Family-fare plan ... 120, 135
- Fares ... 135
- Foreign air-transportation rates ... 70
- Gross revenues of airlines studied by CAB ... 48
- Incentives to cut costs, address by Joseph J. O'Connell, Jr. ... 51
- Intrastate operations of scheduled air carriers ... 96
- Joint use of facilities by airlines, investigation of by CAB ... 47
- Mid-Continent Airlines certificate amendment recommended ... 12
- National Airlines mail-pay rate ... 4
- Net income of air lines for third quarter of 1948 ... 24
- Newport News service ... 86, 115
- No-meal tariffs ... 120
- Northwest Airlines removed from "Big Five" mail-pay case ... 3
- Operations, international and overseas air carriers, first quarter 1949 ... 74
- Prospects for continued growth, statement by Joseph J. O'Connell, Jr. ... 49
- Resort Airlines granted temporary certificate ... 76
- Revenue, fourth quarter of 1948 ... 70
- Route development ... 26
- Route-segment studies ordered by CAB ... 48
- RTCA air-navigation program's effect on airline revenues ... 49
- Scheduled mileage flown by air lines ... 30, 41, 51, 72, 94, 105, 120, 134
- Single-engine aircraft approved for use in scheduled air transportation ... 76
- Sky-coach travel data given in CAB report ... 106
- TACA foreign air-carrier permit extended ... 50
- Traffic gains made in first quarter of 1949 ... 62
- Traffic survey for March 1948 ... 91
- Traffic survey for September 1947 ... 47
- Traffic survey for September 1948 ... 142
- Transports in operation ... 104
- TWA Los Angeles coach-service permit extended ... 118

Airmen:
(See also *Statistics.*)
- Certificates issued during 1948 ... 27
- Crews for large transport aircraft ... 9
- Flight radio operators, interpretation of Part 41, CAR ... 58
- Pilot certificates issued ... 27, 106, 135
- Responsibility of pilot for operation of plane ... 36
- Tabulated by states ... 134, 135

Airport Program:
- Air terminal needs of Nation outlined by D. W. Rentzel ... 96
- Federal-aid program for 1950 fiscal year ... 87
- Grants to sponsors ... 14, 33, 48, 61, 94
- National airport plan for 1949 ... 37
- New CAA airport policy clarified ... 121
- Procedures for administering Federal Airport Act streamlined ... 73
- Recommendations of CAA Airports Advisory Committee ... 124
- Regulations of Federal-aid program simplified ... 61
- Third annual report on airport program ... 26

Airports:
- Airport Operators' Council, address to by D. W. Rentzel ... 63
- Ceylon airports survey by CAA engineer ... 3
- Chicago lake-front airstrip opened ... 27
- Cross-wind landing gear ... 108
- Economic characteristics of communities affecting airports ... 4
- Former military-surplus airports pay profits ... 17
- High-intensity airport lights approved by pilots ... 37
- Landing strip built for Kansas state fair grounds ... 75
- List by states on January 1, 1949 ... 15
- List by states on October 1, 1949 ... 131
- Los Angeles Municipal Airport traffic ... 28, 41, 57, 77, 93, 137
- Miami International Airport traffic ... 5, 28, 30, 57, 69, 77, 106, 118, 127, 137
- Oakland Municipal Airport traffic ... 5, 17, 28, 30, 41, 57, 69, 77, 93, 106, 118, 127, 137
- Operations at 43 selected airports ... 28
- Rio Grande Valley International Airport opened to Aero Transportes ... 5
- San Francisco Municipal Airport traffic ... 5, 17, 28, 30, 41, 57, 69, 77, 93, 106, 118, 127, 137
- Tabulated by states as of July 1, 1946, 1947, 1948, and 1949 ... 98
- Washington National Airport traffic ... 5, 17, 24, 28, 30, 41, 57, 69, 77, 93, 106, 118, 127, 137

Airports Advisory Committee of CAA:
- Appointed ... 85
- First meeting ... 109
- Recommendations to the Administrator ... 124

Alaska:
- CAB office headed by R. O. Kinsey ... 99
- Canadian Pacific Air Lines issued foreign air-carrier permit ... 50
- Mail-pay policy of CAB for Alaskan air carriers ... 41
- Plane lost in Alaska saved by CAA aircraft communicator ... 88

C

Cargo:
- Air Freight case ... 72, 98
- Freight and express, ton-miles flown in scheduled air-carrier operations ... 8, 9, 10, 20, 21, 22, 31, 32, 33, 44, 45, 54, 55, 65, 66, 67, 80, 81, 82, 89, 90, 91, 103, 104, 105, 114, 115, 116, 128, 129, 130, 140, 141, 142.
- Volume carried by certificated air carriers ... 115

Civil Aeronautics Administration:
- Airport program of CAA ... 5, 14, 26, 33, 37, 48, 61, 63, 73, 87, 94, 121
- Airports Advisory Committee recommendations ... 124
- Assistance to aviation industry ... 134
- Assistance to Athens, Greece, airport ... 84
- Aviation Safety Releases ... 117, 138
- Awards to employees of CAA ... 26
- CAA aids to civil aviation, address by D. W. Rentzel ... 109
- CAA-Air Force training exercises ... 84
- Ceylon airport survey by CAA engineer ... 3
- Civil Aeronautics Manuals and Supplements ... 4, 16, 29, 40, 53, 71, 83, 95, 105, 107, 117, 119, 123, 125, 138, 139
- Exports of aeronautical products, CAA policies and procedures regarding ... 14
- Philippine students trained by CAA ... 24
- Puerto Rico assisted in enforcing safety regulations ... 85
- Radio station in Alaska saves lost plane ... 88
- Regulations of the Administrator ... 8, 20, 32, 40, 54, 66, 75, 81, 90, 95, 107, 119, 128, 141
- Releases by CAA ... 2, 23, 35, 47, 59, 62, 79, 86, 98, 110, 128, 134
- Reorganization of CAA ... 73
- Report of Administrator for 1948 ... 1
- RTCA civil-military air navigation and control system ... 85
- Strato Freight, Inc., grounded ... 96
- Study of words made to assist pilots ... 132
- Tidal-wave warning system gets CAA assistance ... 95

Civil Aeronautics Board:
- Berlin air lift, report on by Board's chief pilot ... 36
- Coach and promotional fare policies ... 120, 135
- Economic Regulations of ... 95
- Equipment interchanges approved ... 64, 114
- Family-fare plan, Board policies regarding ... 120, 135
- Interpretation of Part 41, CAR ... 58
- Intrastate operations of scheduled air carriers ... 96
- Joint use of facilities by air lines, investigation of by CAB ... 47
- Mail-pay actions by CAB ... 3, 4, 30, 33, 38, 41, 58, 76, 97
- Mail-pay policy of CAB for feeder lines inaugurating service ... 97
- Office of Enforcement organized ... 2
- Official actions of CAB ... 6, 18, 34, 42, 56, 68, 78, 92, 100, 112, 126, 136
- Releases by CAB ... 2, 23, 35, 47, 59, 62, 79, 86, 98, 110, 128, 134
- Review of CAR Parts 1 through 16 annually ... 121
- Route developments approved by CAB ... 26
- Route-segment studies ordered by CAB ... 48
- Rules affecting irregular air carriers, interpretation of ... 4
- Single-engine aircraft approved for scheduled air transportation ... 76
- Sky-coach travel data by CAB ... 106

Civil Air Regulations—Manuals:
- Annual revisions of CAR, Parts 1 through 16 ... 121
- Civil Aeronautics Manuals and Supplements ... 105, 117, 138
- Civil Air Regulations and Manuals ... 4, 16, 29, 40, 53, 71, 83, 95, 107, 119, 125, 139
- Civil Air Regulations published in Federal Register ... 95
- Cockpit standardization ... 86
- Manual 42 of CAA revised ... 123
- Part 6, CAR, revision proposed ... 123
- Part 41, interpretation of ... 58
- Part 50 amended ... 139
- Scheduled intrastate operations ... 96
- Shipments of explosives, revised Part 49 ... 76

Civil Aviation Highlights ... 5, 17, 30, 41, 57, 69, 77, 93, 106, 118, 127, 137

Index to Civil Aeronautics Journal—Concluded

Page

Education and Training:
- Foreign students trained by CAA ... 67
- Schools approved by CAA, tabulation by states ... 75
- Summer workshops for teachers ... 74

Engines:
- Jet engines for transports ... 97
- Shipments ... 2, 17, 28, 45, 58, 62, 77, 86, 104, 115, 122, 138

F

Feeder Airlines:
- Bonanza Airlines issued temporary certificate ... 77
- Challenger Airlines certificate amended ... 22
- Experimental fares for Challenger and Monarch approved ... 57
- Florida Airways ... 27, 41
- Mail-pay policy of CAB ... 97
- Monarch certificate extended ... 4
- Pioneer Airlines, certificate extension ... 50
- Pioneer Airlines, mail pay ... 3
- Safety record of feeder air lines ... 30
- Southwest Airways, certificate extension ... 50
- West Coast Airlines, certificate extension ... 95
- West Coast Airlines, mail rate ... 33

I

Industrial Flying:
- Agricultural flying ... 48
- Agricultural plane, development project ... 133
- Code of ethics, necessity for ... 60
- Insect control ... 5
- Planes used in storm stricken areas ... 37

International Aviation:
- (See also *Airlines.*)
- Athens Airport gets CAA assistance ... 84
- Board control over rates sought ... 71
- British to install U. S. type traffic control system ... 22
- CAA mission in Colombia ... 133
- CAA mission sent to Greece ... 49
- Mexican agency gets repair station certificate ... 123
- Mexican airline granted permit to use Rio Grande Valley Airport ... 5
- Operations of international and overseas air carriers, first quarter 1949 ... 74

International Civil Aviation Organization (ICAO):
- Meeting at New Delhi ... 15
- Regional air navigation meetings ... 15, 62
- Representatives attend ANDB exhibit at Indianapolis ... 14
- Rules to expedite international travel adopted ... 57
- Weather ship net work in North Atlantic continued ... 67

Irregular Air Carriers:
- Economic Regulations of CAB, interpretation of ... 4
- Economic Regulations, revision of proposed ... 10, 60
- Economic Regulations, revised ... 60
- Standard Airlines certificate revoked ... 75
- Trans-Atlantic trips by two irregular carriers authorized ... 63

L

Landing Gears:
- Cross-wind landing gear equipped plane sent to CAA Colombia mission ... 133
- Promotion of cross-wind landing gear by CAA ... 1
- Smaller airports aided by cross-wind gear ... 108
- Take-off distance reduced by cross-wind gears ... 13
- Tests of cross-wind landing gears ... 108

Landing and Navigation Aids:
- British to install U. S. type system ... 22
- High intensity airport lights approved by pilots ... 37
- Statement by D. W. Rentzel before Senate Committee ... 49
- VHF ... 16, 25

N

National air races ... 109
Nonscheduled Flying Advisory Committee, recommendations of ... 91

P

Personal News Items:
- Childress, Geo. D., heads CAA Aviation Extension Division ... 132
- Crozier, Frank H., appointed special advisor to CAB ... 48
- Davis, Thomas W. S., appointed Assistant Secretary of Commerce ... 109
- Kinsey, Robert O., appointed Director of Board's Alaskan office ... 99
- Hensley, E. S., appointed Director, Office of Aviation Safety ... 51
- Horne, Charles F., appointed head of Office of Federal Airways ... 84
- Koch, A. S., appointed Regional Administrator, International Region, CAA ... 84
- Lee, F. B., named Deputy Administrator of CAA ... 84
- McClurkin, Robert J. G., appointed Director, Bureau of Economic Regulation ... 9
- Moore, Phillips, appointed Assistant Administrator of Airports ... 24
- Nyrop, Donald W., appointed Deputy Administrator (Operations) of CAA ... 84
- Rough, Howard, appointed to direct CAA Field Relations ... 15
- Slebos, G. Bernard, appointed division chief by CAB ... 40
- Sommers, John E., appointed CAA member of ANDB ... 55
- Villamor, J. A., appointed consultant on Far Eastern aviation matters ... 22
- Wright, Wiley, appointed head of Office of Aviation Development, CAA ... 72

Private Flying:
- Airworthiness directives affecting ... 109
- Importance to aircraft manufacturing industry ... 48
- RTCA air navigation system to aid private flying ... 49

Propeller production ... 75, 86, 108, 111

Publications:
- Aircraft Powerplant Handbook ... 27
- Aircraft Use in 1947 ... 55
- Airport Design ... 63
- Airport Financial Statements ... 21
- Air Traffic Rules Guidebook ... 47

Publications—Concluded:
- Development of Airport Control Tower Lighting ... 97
- Development of Interior Painting and Lighting for CAA Facilities ... 97
- Economic Character of Communities ... 4
- Facts of Flight revised ... 38
- Flight Tests of an Off-schedule Distance Computer ... 97
- Ground Loads Handbook (Bulletin ANC-2a) ... 48
- Improvements in Glide Path Transmitters ... 97
- Industrial Flying ... 2
- Legislative History of the Federal Airport Act ... 77
- Manual 42 revised ... 123
- Path of Flight ... 115
- Regulations of the Administrator ... 75
- RTCA publications ... 17, 38, 72, 105, 106, 114
- Safety Bulletins:
  - Buzzing Is Deadly ... 132
  - Flight Plans ... 122
  - If You Don't Know Weather Flying ... 26
- Safety poster: "Don't Overload" ... 108
- Safety Study: "What Causes Collisions?" ... 30
- Statistical Handbook of Civil Aviation for 1947 ... 12
- Strength of Metal Aircraft Elements ... 123
- Terrain Flying ... 115

R

Radio Technical Commission for Aeronautics (RTCA):
- All-weather flying and navigation system approved by ... 14, 39, 49, 73, 85, 133
- Publications of ... 17, 38, 105, 106, 114
- Publications, price list of ... 38
- Secretariat in new location ... 86

Rentzel, D. W.:
- Aeronautics Association of Boston, address at meeting of ... 109
- Airport Operators Council, address before ... 63
- Flying Farmers, address at conference of ... 60
- Institute of Radio Engineers, address at annual meeting of ... 39
- National Council of Technical Schools, address before ... 61
- Nonscheduled and fixed base operators, address before ... 48
- Report on progress in aviation in 1948 ... 1
- Statement before Senate Committee on British jet-powered transports ... 97
- Statement before Senate Committee on RTCA air navigation program ... 49

S

Safety:
- Airworthiness directives for personal-type planes ... 109
- "Buzzing" Pilots ... 121, 132
- CAR revisions ... 121
- Cockpit standardization ... 86
- Crews for large transport aircraft, size of ... 9
- Crop dusting and spraying chemicals, control of ... 25
- Distress signals on airworthiness certificates ... 30
- Dramamine may cause drowsiness ... 94
- Fires in flight, study of by CAA ... 110
- Flashing position lights for private planes ... 87
- Flight spin tests for light trainers recommended ... 91
- Flight plans ... 122
- Intrastate air carriers, proposed safety regulations for ... 96
- Photoflash bulb shipments ... 70
- Polarizing sun glasses may be razardous ... 17
- Puerto Rico adopts safety regulations of the United States ... 85
- Safety directives affecting personal-type planes ... 109
- Shipments of explosives ... 76
- Stall warning device ... 99
- Strato Freight, Inc., grounded for CAR violations ... 96

Statistics:
- Aeronautical industry sales, second quarter of 1949 ... 111
- Air cargo carried ... 115
- Air carrier aircraft in scheduled service ... 14, 104
- Air carrier operations, first quarters of 1948-1949 ... 74
- Air traffic control operators ... 134
- Airframe weight shipments ... 2, 17, 29, 45, 46, 58, 63, 83, 87, 99, 111, 123, 138
- Airline revenues ... 24, 95, 132
- Airmen listed by states ... 134, 135
- Airports listed by states as of January 1, 1949 ... 15
- Airports listed by states as of October 1, 1949 ... 131
- Civil aircraft listed by states ... 33, 108
- Civil aircraft shipments ... 2, 17, 29, 45, 58, 63, 83, 87, 99, 111, 123, 138
- Civil aircraft, statistical study as for August 1, 1948 ... 12
- Dispatchers, listed by states ... 134
- Engineers, by states ... 135
- Ground instructors, by states ... 135
- Mechanics, by states ... 134
- Navigators, by states ... 135
- Net income of 16 domestic trunk lines, second quarter of 1949 ... 132
- Non-air-carrier accidents ... 132
- Parachute technicians ... 134
- Pilot certificates issued ... 27, 135
- Propeller output in first half of 1949 ... 108
- Radio operators, by states ... 135
- Revenue passengers, first half of 1948 ... 4
- Revenue plane miles flown, first half of 1948 ... 12
- Scheduled mileage flown by domestic trunk airlines ... 30, 41, 51, 72, 94, 105, 120, 134
- Schools approved by CAA, tabulation by states ... 75
- Sky coach travel data ... 106
- Statistical Handbook of Civil Aviation, 1948 edition ... 12
- Statistical study of U. S. civil aircraft ... 12, 60, 122
- Statistical study of U. S. civil aircraft as of January 1, 1949 ... 60
- Traffic control operations for first half of 1949 ... 98

W

Washington National Airport:
- Construction planned at ... 33
- Passengers arriving at ... 90
- Six millionth passenger uses WNA ... 24

Weather Bureau:
- Ceilings above 10,000 feet now supplied ... 24

Weather Ships in North Atlantic continued ... 67
